

**13th International Conference on
Sustainable Energy
&
Environmental Protection**

September 13th to 16th 2021

**Important:
Due to COVID 19 the
conference is transformed to
an online event.**

**University of Natural Resources
and
Life Science, Vienna**

Introduction

The Sustainable Energy and Environmental Protection conference provides a forum for both researchers and practitioners around the world to present papers on recent developments in the fields of Sustainable Energy and Environmental Protection. The organizing committee of the conference invites papers from researchers and practitioners from academic as well as industry within the scope of the conference subjects.

Scope

The conference particularly welcome papers related to industrial based projects. Papers dealing with one or more of the following topics will be considered for the conference: Steam System Efficiency & Management, Biomass Conversion, Fuel Cell and Hydrogen Technology, Hydrogen Economic & Investments, Photovoltaic Technology, Solar Thermal Applications, Marine/Ocean Energy, Wind Energy & Applications, Technical Developments in Vehicles, Engines and Equipment, Fuelling Technology (EV, Diesel, CNG, LPG), Modelling and Simulation, New Concepts including LNG, Biogas, Hydrogen, Electrical & Hybrid Drive Systems, Energy Storage, Supercapacitors and Applications, Smart/hybrid Power Networks, Policies & Regulations, Codes & Standards, Economic Aspects, Road Management, Marketing Strategies, Environment Management,

Environmental Issues including: Air Pollution, water and Water Management, Waste Management, Climate Change, Health and Environment, Customer and Society Satisfaction, Materials and Fuel Developments, Including: Nano-technologies, Light weight structures, Bio-composite materials, Fuel Cell Materials, Membranes, Sensor Technologies, Combustion, Passive and Active Building Design, Cyber Security, AI and Robotics, Circular Economy, Nuclear Energy and decommissioning.

Sessions, Workshops and Symposiums

SEEP 2021 welcome you to suggest or organise Sessions, Workshops and Symposiums.

Prizes

Sponsored prizes, will be awarded for the best papers presented by undergraduate students. Judges will decide on the awards based on the quality of both the written paper, and the presentation.

The venue

The conference will be held at the University of Natural Resources and Life Sciences, Vienna (BOKU) in Austria. **Due to COVID 19 the conference is transformed to an online event. Only invited speakers and organizing committee will attend in person.**
